

CANADA'S LARGEST SELECTION OF DRAUGHT BEER

At West 50 we believe in passing on the quality, craftsmanship and care that these brewers have created in their products. With over 100 draught beers to choose from, you are about to taste beer that is as close to being straight from the kettle, beer in its freshest state. We have installed the finest system of draught beer delivery. Our lines are meticulously cleaned after each keg and our state of the art temperature control ensures the perfect product every time!
